

COURSES FOR ADULTS (19+)

LEVEL 1 AWARD IN CONSTRUCTION

During this seven session accredited course you will learn vocational construction skills, as well as Health & Safety in the workplace. This Level 1 qualification will give you practical experience and knowledge of some of the skills required to gain employment or further training within the construction industry. Fully funded for those not currently in employment/education/training or those earning under £17,004 per year.

Start date: late 2021/early 2022
