ACE will identify the tasks and skills necessary for each position available which will be set out in the job description and person specification, this will confirm the attributes required by the candidates who apply.

ACE have a staff code of conduct which outlines staff behaviour expectations.

All applicants will be required to complete a written application form. This will include personal details such as name, date of birth, past and current work/volunteering experience and an explanation of any gaps in employment. Applicants will also be required to provide current and previous addresses for the past 5 years.
